## Why Choose Us

- ✓ We bring a team of seasoned consultants with extensive expertise
- ✓ We use evidence-based approaches to achieve optimal results for success
- ✓ We value your input and ensure open communication
- ✓ With a diverse client base, we have a track record of success
- ✓ Our consultation rates are significantly lower than the market average

## Our Services

We offer a comprehensive range of services designed to support your growth and success.

### Project Management

We oversee all aspects of your project, ensuring they are completed efficiently, on time, and within budget, while maintaining high-quality standards.

### Event Management

We provide comprehensive support for organizing and executing successful events, including planning, logistics, coordination, and on-site management.

### Job Readiness Assistance

We help to prepare for the Canadian job market by offering tailored guidance, resources, and training to enhance employability.

### Public Health Graduate Program Admission Consultation (Canada-Based)

We guide prospective international students through the Master of Public Health (MPH) program admission process at Canadian universities.

### Resume Writing/Tailoring

We craft impactful and customized resumes that effectively highlight your strengths, experiences, and achievements, making you stand out to potential employers.

### Employee Hiring Support

We assist in identifying, recruiting, and securing the right talent to meet your organization's specific needs.

### Knowledge Translation

We transform complex research findings and evidence into practical, easily understandable formats and stunning visuals (infographic/poster/video)

### Social Media Management

We enhance your online presence by creating, curating, and managing engaging content across all social media platforms. We also provide advertising support.

### Promotional Materials

We design stunning promotional materials for your business or organization, such as banners, posters, brochures, promo videos using stock videos with AI voiceovers, etc.

### Online Portfolio Creation

We develop impressive online portfolios that effectively showcase your work, skills, and achievements to potential employers or clients.
